

TurtleSkin® Body Armor

Cell Extraction Vest

SCIENCE FOR LIFE™

TurtleSkin MFA technology provides the performance of a steel plate with the flexibility and comfort of a fabric

Features

- Shank resistant against both knife and ice pick-type weapons
- Outstanding flexibility for grappling, cuffing and rapid unrestricted action
- Increased protection area on torso
- Modular shoulders, throat and groin protection
- Secure, rapid-access cuff-key pocket
- Oversized pockets for leg irons or other equipment
- Front opening for rapid deployment and cooling while not actively engaged
- Low-pro collar to reduce helmet integration issues
- Durable, machine washable Cordura outer shell
- No more bruises or pinching on your chest, shoulders and underarms!

CERTIFICATION: NIJ 0115.00 Certified to Edged Weapon and Spike Level 3
