

TurtleSkin® Body Armor

Concealable Ballistic Protection

SCIENCE FOR LIFE™

TurtleSkin Body Armor is the new benchmark of performance in life safety. From increased blunt trauma protection to higher V50 design requirements, TurtleSkin SoftPlate™ technology combines exceptional durability and comfort with advanced Level IIIA protection.

Features

- Combined Cycle Accelerated Age Tested
- TurtleSkin NS2—Neoprene Suspension System
- 4-point adjustment for desired fit
- 9mm V₅₀—1895 fps
- 44 MAG BFS AVG—31mm

TurtleSkin Body Armor can be purchased directly from our factory with either an agency purchase order or major credit card. Individual vests ship within two weeks. For large orders a lead-time will be quoted based on quantity.

Please note: TurtleSkin vests are only available to sworn lawenforcement personnel and active duty US Military service people. With your order, please include a copy of your Military or Law Enforcement identification.

CERTIFICATION: NIJ 0101.04 and 2005 Interim Requirements
